## EDITORIAL

Carol Powell

Sometime after the clubhouse opened last year I had a conversation with Sue Mills during which she told me she really wanted to give up editing the Pride and step down to being just a member of the editorial staff. I told her that I was leaning toward not running for the Board again and if that was the case I would take over the Pride. She and I confirmed that agreement in October when I had to make my decision about the Board. Sadly, we all know the tragic ending to that story.

However it happened, here I am writing this piece as the new editor for the Pride, without Sue to mentor me and keep me out of trouble. Thank the powers that be, for I do have Linda LaFerrera as a second and a lovely lady named Donna, who works in the Publisher's office. Without these two ladies I am not so sure we would have had a February issue. I am looking forward to working with both Linda and Donna and learning all they have to teach.

In carrying forward the traditions followed by Sue, we want to encourage all Lions Head residents to participate. We all have our stories and individual interests. Please let either Linda or myself know if you have any suggestions for things you would like to see included, either on a regular or a one time basis. Don't forget to send us photographs or stories about you or your family that you think others would enjoy. Remember most of us consider our pets to be family also.

I look forward to my new role as an actively participating Lions Head South resident and, as always encourage all to join, make new friends, learn something new and have fun. Most importantly stay safe and stay well.

## PRESIDENT'S MESSAGE

Barbara Skelly

I am writing this as I watch the plows attempt to move the mounds of snow generated from the Nor'easter. It has been a while since we have had a storm of this nature and I am personally happy it doesn't happen too frequently. At the same time I am appreciative of the dozens of people who helped dig us out. Whether it was Brick Township or TurfMaster crews, or LHS residents who helped coordinate the activities within the Community, THANK YOU VERY MUCH.

The other thing that seems to have returned is an abundance of SPAM phone calls. Just last month, I received a call that my grandson was in jail and needed money for his bail, I won a large amount of money in the Canadian lottery as long as I sent them money to transfer it to the US, and my computer needed updating so I was asked to have a technician connect to it in order to fix it. Obviously, all are scams! If you do not know the number, do not answer the phone. And if you have not signed up to block telemarketing calls, register your number on the Do Not Call list. This protects both landline and wireless phones. ([www.Donotcall.gov](http://www.Donotcall.gov))

As many of you are aware, the Engineering Study is in full swing. The results should help us make decisions concerning projected capital expenses. One of these projects is the pool. If you have been to the clubhouse lately, you would have noticed that the pool is empty. This was not planned, but is the result of a major leak. When the pool was covered in September, it was close to full, but was empty by November. The Community has had good use of the pool during the last 40 years but now we have to get it ready for the next 40 years.

And sadly, we are bidding farewell to Ann D'Angelo, Office Coordinator. Ann has decided it is time to retire so she can spend her days relaxing in her retirement community. Ann was responsible for working with the committees. In particular, she had a very active role in the follow-up activities of the Architectural Committee. Ann, we are sorry to see you leave. You have been an important part of the functioning of the office and we truly appreciate everything you have done for us. You will not be that far away, so please come back and visit. ENJOY! You will be missed and will always be an LHS alumna!

And so it goes! Please listen to your robocalls or check the website for up-to-date information. Have a safe, warm and COVID-free month.

**Happy St Patrick's Day!**

## MEET YOUR TRUSTEES

Barbara Skelly

The editors of the Pride and website have suggested that we add a new column to introduce the trustees to the residents. We agreed that it would be a good idea and then they said — OK, you're first. So here it goes!

I am Barbara Skelly and I am currently President of LHS. This is my 3rd year as a Trustee and I also served as Vice President and Secretary during the last two years. I moved into Lions Head South in 2007 when I was still working a full time job "over the bridge". I am very happy that I no longer have to make that commute.

Having only been here a couple of months, my neighbor invited me to join Singles. Three years later, I was President and continued in that position for most of the additional years until the club dissolved in 2019. It was not an easy decision to stop meeting since so many friendships developed during that time period. This also included many happy luncheons. There was always plenty of food and lots of fun.

While working, I also had the opportunity to join the Community Awareness Committee. Getting to know more about Brick and the many things available to residents identified a new list of local activities to be enjoyed.

One thing that I have found in Ocean County is that everyone probably came from somewhere else. I am originally from Clifton and since I was seven, I spent lots of time at the Jersey Shore in the Lavallette area. Is it any wonder that I decided to make the shore my permanent home? I moved to Ocean County in 1972 when this area was very different and there was very little traffic on Hooper Avenue. But I always believed that the best part of the summer was "local summer" - September and October! And I still do!

Career wise, I have been an elementary school teacher, a Regional Human Resource Director for Pathmark

Supermarkets (when they were still around), I owned my own recruitment firm, and for the last 17 years worked for a Non-Profit Tissue Bank. I have always felt comfortable in trying new things and have not been afraid to ignore the mentality of that's the way we have always done it before. I hope this never changes.

I love to read. I probably read 3-4 books a month. My participation in two LHS book clubs has shown me that I really enjoy historical fiction books. The Rose Code, by Quinn is an excellent example. But give me a well written mystery and I can't put the book down. I love to travel but covid seems to have put that on hold. I have an exciting trip planned for 2024. Maybe it will happen yet! I still have plans to play golf. Maybe this will be the year?

I have made Lions Head South my home and I hope you feel the same way. You will see me in the neighborhood in my black Equinox, license plate "GRAFOX". Wave me down if you see me. I enjoy meeting new people. Hope to see and meet you at a future residents meeting. Have a great year!

## A SPECIAL MESSAGE

*Ann D'Angelo*

As much as I hate to say goodbye, the time has come for me to start a new chapter. By the time you read this note, you undoubtedly heard that I have retired.

I wish to express to those residents with whom I have become acquainted over these 6 years what a delight it has been to meet you and have the opportunity to 'chit chat' with you when you stopped by the office. You brightened the day.

More importantly, it has been an incredible experience working with Committee and Club members. It has been especially rewarding working alongside a great team of co-workers. I will truly miss all of you. We had good times and plenty of laughter together.

Lions Head South will hold a special place in my heart because of all the nice people I have had the pleasure to know. So, I bid you farewell and perhaps along the way we will see each other again.

## BUILDING AND GROUNDS

*Tia Katakozinos*

The Buildings and Grounds Committee wishes all residents a Happy (almost) Spring!

The Committee recognizes the snow removal challenges presented to our community this past winter. The Committee is working on how to provide better communications of urgent matters during these events.

At the present time, all urgent matters are to be reported directly to TurfMasters at 732-349-0444. Leave a message and they will get back to you.

To keep residents safe during storms, please follow these guidelines:

1. Stay indoors
2. Listen and watch for weather alerts and warnings in your area
3. Make sure all electronics are fully charged
4. Always keep your phone reachable
5. If required, secure outdoor objects
6. Ensure all pets are safe

In addition, there is an increase in reports of residents/guests not cleaning up after their dogs, as well as litter and discarded gum in the community. This problem seems to be increasing. We strongly urge all dog owners and residents to be responsible and held accountable to keep our community clean and litter free.

## ARCHITECTURAL

*Stephen Scaturro*

As spring approaches, the Architectural Committee would like to remind all residents of the process for proposed additions and alterations to your home. All work regarding the exterior of your home requires an application for consideration by the committee and approval before work starts. This includes but is not limited to trees, roofs, windows, siding and satellite dishes.

Once approved, the homeowner will receive a blue work permit to be displayed in the window of the home. Upon completion, the homeowner returns the blue slip to the office. A Committee member will visit the residence shortly thereafter to ensure the work was completed according to the application and close it out.

## CLUBHOUSE

*Rose Saputo*

After the snow, cold, wind, warm and crazy weather conditions we experienced in February, I'm sure some of us are wondering what Mother Nature has in store for us this month. Will March be "coming in like a lion" and "going out like a lamb"? I guess we'll just have to wait and see.

As you are reading this article, hopefully our clubhouse has already been reopened. This way, we can hold all of our meetings here, gather and socialize, take part in specific activities, and just enjoy the beautiful surroundings of the clubhouse. We can also look forward to participating in social events during the upcoming months.

This year, 2022, Lions Head South will be celebrating its 40th anniversary. Watch for upcoming details to unravel...

From the members of our committee: HAPPY SPRING!!! May God bless and keep all of you in His care.

## SPECIAL ANNOUNCEMENT: CIRCLE OF FRIENDS

*Gregg Sternberg*

"CIRCLE OF FRIENDS" is a group being formed to provide a resource for communication, assistance and fellowship for the LHS residents. It is staffed by volunteers and is provided free of charge. If you are home bound, temporarily or otherwise, CIRCLE OF FRIENDS would be able to assist you with the following:

- Food shopping from a list that you provide, delivered to your home or outside your door
- With appropriate consent, picking up prescribed medications from a pharmacy that does not deliver
- Keep in touch phone calls either on a regular basis or if you need someone to talk to during difficult times
- At home visits for a quiet chat or a shared cup of tea or coffee (all COVID guidelines will be followed.)

We are not professional counselors but we are your concerned friends and neighbors.

For further information to volunteer or receive the services offered, please contact Gregg Sternberg at 908-309-6268 or contact the LHS office.

We are a CIRCLE OF FRIENDS and we look forward to opening the circle to include you.

## COUNTRY CLUB

*Jim Mort*

This is the second year in a row we have attempted to keep the golf course open all year long only to be closed by the weather. We still managed more golf during the winter than we normally could but the snow came and put a stop to our enjoyment. We will continue with this experiment next winter with the hopes that at least we will get additional use out of our course.

Membership re-registration for 2022 wrapped up on February 28th but, as always, we are looking for additional members, and it is never too late to sign-up. Residents of LHS and LHN are eligible to become full time members, associate members and, in the case of households with more than one golfer over the age of 55, eligible for the Family Plan. The cost of these different plans is reasonable and affordable. If you have any questions concerning membership, playing restrictions, cost or for that matter anything to do with the operations of the LHCC, please call me, Jim Mort, at 732-779-9657. If you have any family and/or friends that are golfers, 55 and older that would like to join our golf course or would like any information about our course, please refer them to Muriel Mills, Jim Mort or any member of the LHCC Board of Directors. Registration forms are available at the LHCC and will be available on the LHS website. While residents of LHS and LHN cannot play on a 10-Play card, you can purchase a 10-Play card (\$120.00) for use of your guest. The 10-Play card does not have an expiration date.

The registration for the Men's Golf League has started and is open to all Members of the LHCC, residents as well as non-residents. Any questions on the League call Brian Halm, 732-581-0067.

## GARDEN CLUB

Linda Adamo

Our club is getting ready to meet once again in March and we are all looking forward to getting out into the fresh air to begin our work around the community. Our first meeting sets our agenda for what we need to get done for the year.

At this time of year, we begin to think about prepping our gardens when we at last get some mild days. If you didn't fertilize your trees last winter, you may want to do it now. Dig little holes two feet apart from the drip line and fill them with fertilizer. At the end of the month, you can also start fertilizing your shrubs, including any rose bushes. Each type of shrub requires a different fertilizer so be sure to read the packages before buying to make sure you have the appropriate type.

If you maintain a compost pile, now would be a good time to mulch around your shrubs and trees. You may also purchase compost manure. This is a great way to give your soil a chance to recuperate after the long winter months so you can enjoy strong, beautiful gardens come summer.

The indoor plants that have been giving you joy all winter may now be fertilized to spur their growth. If needed, wipe their leaves of any accumulating dust. Herbs may also be started indoors for eventual movement to the outdoors when the weather breaks.

If you are looking for a fun group who provide a wonderful service to the community, please consider joining us at our first meeting of 2022 on March 9th at 10:30 a.m. in the Lions Den.

## LHS MEN'S CLUB

Don Antonelli

Hello everyone. Sorry for the delay in wishing you a happy new year. First, a recap of December: We had a very successful holiday party at the American Legion in Toms River on December 7th. The American Legion put out a great buffet and the bar was excellent. Music was provided by Steve and Debbie, great past-presidents were introduced and our man of the year for 2021 was Tino Yodice. Well deserved.

On December 13th we had our mega 50/50 drawing in the clubhouse lobby. First prize went to Clara Ciuffo-Clarke and second prize went Frank Fee. Congratulations to both. We did not have a general meeting in January and February because of restrictions, but we hope to have a meeting on March 2nd.

Looking forward we are planning another bagels and bingo event on April 21st. Tickets will be \$10. Look for the flyer in this addition of the Pride for more details.

As always, please stay safe and God bless.

## LHS WOMEN'S CLUB

Clara Ciuffo-Clarke

"Everything was fine – until everything wasn't. We are never ready for the storms of life. They rarely announce themselves. These storms come at unexpected times and in unexpected forms. They come in all shapes and sizes and teach us that life is unpredictable and messy." That is a quote from a reflection I recently read and seemed very apropos for our lives in the 'new-normal'. As I am writing this message for the March Pride, I am looking out the window at the remnants of the Blizzard of 2022. Everything seems so pristine and clean – even frozen in time - but we must accept the present and plan for the future.

I still do not have the go-ahead for a meeting in February, so no matter our fate, it will be on the robocall. The Board has given us approval to continue Food Drives all year, but the collections bins will be in the Den at our meetings or at specific advertised dates and times so we can collect and disburse the food/pet foods and return the bins to the closet provided.

Next, our planned Holiday Dinner is still on hold, but not forgotten. As soon as it is safe for a large gathering, we intend to make it a good one! In any event, you are still in my heart and thoughts. I look forward to telling you in person how special you are to me.

Blessings to you, all my friends.

## SECURITY COMMITTEE

*Tia Katakozinos*

We are starting to turn the corner to a warmer, greener spring season. Hoping this time of year finds all our Lions Head South residents safe and well.

The Brick Police Department and Detective Bureau are working with the Security Committee to attend our March residents meeting, scheduled for March 14th at 2:30 p.m. This request was made by our Brick PD liaison to speak directly to our Lions Head South residents regarding an increase in frauds and scams in our senior communities. Please plan on attending to hear this vital information. They will discuss how to quickly identify and recognize these attempts to commit fraud. Information will include tips on how to protect yourselves and our community.

Many of our residents' homes are now equipped with security cameras. Let's plan to utilize and share this technology to stay vigilant in protecting ourselves, our neighbors, and our community. If you SEE something, SAY something.

Have a very SAFE 2022!

## SOCIAL COMMITTEE

*Roberta Marvel*

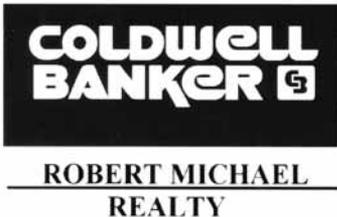

Greetings to all of our LHS residents. I hope that you are all safe and well. The Social Committee is planning a few fun events for the upcoming months that we would love for you to be a part of.

Please mark your calendars for Sunday, April 24th. We are having our first scheduled "Sunday Funday" from 1 p.m. to 4 p.m. at the clubhouse! Come join us for 4 fun-filled hours of DJ music, open-mic singing, dancing, and socializing with our friends and neighbors. Feel free to bring a board game, play cards, or shoot a game of pool. We will be serving snacks, desserts, coffee and water.

Next up is a "Moonlight in May" Dance on Saturday, May 21st.

You will surely want to attend this event! Back by popular demand, we have invited the band, "Let's B Frank," to return to LHS. They put on a memorable performance at our September event and we can't wait to see the encore performance in May!

We will have more details for you pertaining to these events in our April edition of the "Lions Pride" magazine. Remember, the more, the merrier, so please plan to come out and join us for a good time! We hope to see you all there.

# PRIORITY FOR DRIVEWAY SNOW REMOVAL

As we approach another winter season, we again find it necessary to clarify who qualifies for the Priority Snow Removal list for 2021-2022 winter season. A new request is required every season.

For those who qualify, please submit your request to assure that you will be placed on the priority list. To qualify, a resident must require regular life-sustaining medical treatment, such as chemotherapy, radiation, or dialysis in or outside the home.

A "heart condition" does not qualify. Your request must be accompanied by a **physician script/note** which specifies that life-sustaining treatment for any of the conditions outlined above is necessary. Hand written notes are unacceptable. All information will be kept by the administrator and will be confidential.

Your need to go to work does not qualify for priority snow removal. For this purpose, we suggest you make advance arrangements with a private contractor for snow removal.

The township will cooperate by plowing our roads so that our contractor can begin work. Of course, the town will continue to respond to any serious problems during storms.

## ALWAYS CALL 911 FOR ANY MEDICAL EMERGENCY

Please be sure to keep on hand extra supplies of medications and food so that you do not need to leave the house during or immediately after a snowstorm. The weather predications generally provide ample warning time for making preparations.

For convenience purposes, your doctor may fax this information to our office. Our fax number is 732-920-2650. Please be assured this information will be kept strictly confidential. Placement on the Priority Snow List cannot be accomplished until we receive the necessary documentation from your physician.

Please respond as soon as possible as the winter season will be here soon.

# YAKOV SMIRNOFF: MAKE AMERICA LAUGH AGAIN

Yakov's **'Make America Laugh Again'** comedy show features Russia-born comedian and two-time winner of 'Comedian of the Year,' Yakov Smirnoff. This comedic production is sure to bring explosive laughter, witty perceptions, and the charisma of this iconic comedian.

This philosopher and comedian promises to have you laughing your 'yak-ov.' Yakov's style of hilarious comedy is perfectly explained by his motto 'to experience happiness and teach it to the world with passion through comedy and sensitivity' and his humorous relational commentary confirms that love and laughter do indeed go hand and hand.

You'll be laughing until your sides hurt as Yakov shares his hilarious perspectives on life, American culture, and the indisputable differences between men and women. Sit back and enjoy this humorous, conversational performance as he describes what it was like to move to America and learn our customs the hard way.
