PRESIDENT'S MESSAGE

Barbara Skelly

And just like that it is summer!

June is always a special month since it brings about a lot of beginnings and endings. Beginnings include longer days, warmer weather, summer vacations and the pool season. Endings include the end of the school year and more time with families, graduations and indoor activities. Whether you look forward to either the beginnings or the endings, this month will give you lots of opportunities to pursue different things.

Well, the pool is open! And I am certain that you noticed the new pool furniture and umbrellas that were selected by the Recreation Committee. It was no small endeavor to get everything here on time. Just ask the Committee! But the important thing is that it is here to enjoy. THANK YOU Recreation Committee for your hard work. Let's have a wonderful Pool Season with no incidents or accidents. Please follow the posted rules and I am certain we will all have an enjoyable summer.

One major thing I hope that you have made plans to attend is the 40th Anniversary Party that will take place on Saturday, June 11, 2022. The menu is set, the DJ is getting ready, and the day's festivities have been planned. COVID has kept us somewhat cooped up over the last 2 years and this is really our first BIG opportunity to get together as a community. In order to make this all happen, this party has been in the planning stages for two years. Special thanks go out to the three chairpersons who have been involved during the last 2 years - Chuck Florio, Kathy Fagan and Peggy Comfort. Their planning and attention to detail will

make this a memorable event. And of course, the hard work of the committee should also be recognized - thank you for your ideas, your attention to detail and "finally, your persistence in making this a wonderful event. THANK YOU from both the Board of Trustees and the Lions Head South Community."

This past month, the Welcoming Committee scheduled their first Open House of the year for new residents. We had 12 residents in attendance. In addition to the Committee, representatives from each of the Standing Committees, Clubs and Special Interest Groups were available to answer questions about LHS, explain the responsibilities of the various committees and discuss the many activities that take place both day and night. Since most of the attendees were fully retired, I think we might have found some people interested in joining some of the committees. It is always good to see new faces in the many activities that take place. In the rush of closing the meeting, I neglected to thank the Welcoming Committee for organizing the event. Please accept my apologies - but more importantly - THANK YOU WELCOMING COMMITTEE!

And so, it goes. The year is almost half gone and there is still so much more that will take place. Stay involved, don't be afraid to give us new ideas to consider. The more people involved, and the more people willing to volunteer to continue to make this community great, will benefit everyone! Congratulations to the many graduates of the LHS residents, also.

Enjoy the sun - but make certain you use sunblock.

EDITORIAL

Linda LaFerrera

Is it really spring? As this editorial is being written in late April, it is a little too chilly and windy outside to believe that the month of May is upon us. Here's hoping that the weather has warmed up to match the summer season that is almost upon us.

There is much to look forward to during the next few months of the year at Lions Head South. It goes without saying that the pool opening was a welcome addition to our outdoor activities. Many of our residents look forward to the opportunity to enjoy the pool and its lovely surroundings with their family and friends. Bocce and outdoor shuffleboard are in full swing, and the horseshoe pits and tennis/pickleball courts are open to provide fun and exercise for us all. Clubs and Committees are offering events that provide enjoyment and a chance to be together. As we begin to emerge from our homes during the more pleasant weather, we also thank our Building and Grounds Committee and the Garden Club for the beauty they provide

to all of our surroundings in Lions Head South.

Thanks also are in order to those who are contributing special articles to the Lions Pride that enhance our fast approaching fortieth anniversary celebration. "Through the Years", by Maryellen Klotz and "The Recipe Box", by Sue Auer highlight the thoughts and contributions of some of our original homeowners. What a delightful treat!

On the subject of contributors to the Pride, we would be happy to bring back a couple of columns that were sadly discontinued. If anyone is interested in writing "The Pet Corner" or perhaps a "Get To Know Your Neighbor" article for future editions, please let the editors know. All of your ideas are always welcome.

We wish all of our Lions Head South fathers, and those who are like fathers to others, a happy Father's Day. We'd also like to remind everyone that June 14th is Flag Day, a perfect day to fly our nation's beautiful colors. As always, be safe and enjoy the month of June!

YOUR HELP IS NEEDED!

At the end of 2022 three (3) of the seven position on the LHS Board of Trustees will become available. These are for 2-year terms. In order to maintain the pleasant lifestyle and the amenities we enjoy here at Lions Head South, volunteers are needed to fill these positions. Last year we had four (4) candidates step forward to fill four (4) positions on the Board and those who were elected will tell you how rewarding the experience has been. Now it's your chance to step-up and help your community.

You, as a homeowner have the insight necessary to serve the community. Remember, our community **runs on volunteers**.

We urge you to step up and consider running for the 2023-24 Board of Trustees this coming October.

For those of you who are interested in helping your community, Applicant Packages* are available from the office. If you have any questions, you may contact any Board Member or Member of the Nominating Committee.

GARDEN CLUB

Carmela Ferraro

Garden assignments, watering schedule, and decorating committees were finalized at our first meeting of 2022. A spring luncheon is being planned and will be held after our June meeting. The Luncheon Committee will research different places and report at our next meeting.

The area by the "Frog Pond" was discussed and it was decided that it is in some need of attention. A committee will be looking into the best way to spruce up the area. Also, the space alongside the clubhouse facing the pool will also receive our attention. Many of the shrubs are either dead or in need of a good trim. We will address this and make recommendations for improvement.

A fundraiser was discussed, and we welcomed new member, Susan D'Onofrio. We are delighted at the interest in the Garden Club, as our membership continues to increase.

Because of the Lions Pride deadline, I am unable to report on the May meeting.

WHAT IS A POLLINATOR??? A pollinator is anything that helps carry pollen from the male part of the flower to the female part of the same or another flower. The movement of pollen must occur for the plant to become fertilized and produce fruits, seeds, and young plants. Some plants are self-pollinating while the pollen carried by wind or water may fertilize others. Still other flowers are pollinated by insects and animals – such as bees, wasps, moths, butterflies, birds, flies and small mammals. Pollen sticks to their bodies while they are drinking or feeding on nectar in the flower blooms and is transported unknowingly from flower to flower, resulting in pollination.

WHY ARE POLLINATORS IMPORTANT???

Do you like to eat? One of every three bites of food exists because of pollinators.

Do you like clean air? Insects and animals pollinate 75% of all flowering plants on earth. This amounts to 1200 food crops and 180,000 different plants - which help stabilize our soils, clean our air, supply oxygen, and support wildlife.

Do you want a healthy economy? Pollination in the USA by honeybees contributed to \$19 billion of crop production in 2010, while \$10 billion was contributed by other pollinators.

WHY AM I WRITING ABOUT POLLINATORS???

Our pollinators are in trouble. In the last several years, their numbers are decreasing due to various factors. **But we can help.** For example, we can make our yards more attractive to pollinators such as hummingbirds.

Hummingbirds are native to the Americas and there are several varieties, many of which are found throughout New Jersey during the spring and summer months. They arrive in late April or May and leave in September.

Setting up a feeder is easy and inexpensive and they can be purchased almost anywhere. Choose a feeder that you are able and willing to clean. More than one feeder will support more hummers. They should be placed at least 4 feet from the ground to discourage predators and preferably a shady spot where you can watch them flutter around flowers or a feeder.

You can make your own feeder solution by dissolving 1 cup of **white cane sugar** with 4 cups of water. Do not use any other sugar or honey and no food coloring. Excess amount should be refrigerated. Don't fill feeders all the way if they are not being fully consumed between cleanings. Cleaning should be done every 4-5 days. They should be washed with a mild soap and rinsed thoroughly. About once a month, soak with a mild solution of bleach and water (1 Tbsp to a quart of water). Again, rinse thoroughly.

If you prefer to attract hummingbirds with flowers, some suggestions are: Chinese Bell Flower, Flowering Maple, Hyssop and Hummingbird Mint. But they are attracted to almost all colorful flowers that are red, blue, orange or yellow.

More information about all pollinators can be found on-line. Just look for "pollinators".

Be sure to check the Garden Club Bulletin Board where you will find a list of our meeting dates as well as some lovely photos and helpful garden information. Meetings are always held on the second Wednesday of the month. Our next meeting is June 8th at 10:30 AM in the Lion's Den. Come join us.

SOCIAL COMMITTEE

Roberta Marvel

Greetings to all our friends and neighbors here at Lions Head South. We hope you are all safe and well and getting ready for the summer months.

We want to update you on the huge success of the first Sunday Funday that was held on Sunday, April 24th. It was a fun and relaxing day for all, with the music by DJ Louie. We had good food and great company along with lots of laughing and dancing. It was so nice to see 81 of our residents enjoying the day together. We want to extend thanks to the members of the Social Committee for their hard work to make this event special.

We also want to give special thanks to Angela for making the beautiful balloon centerpieces, wreaths and delightful sprays of balloon posts.

We have more fun and exciting events planned for our community. We will have details in the next edition of the Lions Pride. We are pleased to announce that the Social Committee is still growing. We would like to welcome Mike Voto, who has also joined our Social Committee.

We wish all of our wonderful fathers here in LHS a very Happy Father's Day.

Enjoy the beautiful weather and we hopefully will see you at the next event!

LIBRARY COMMITTEE

Janet Petersen

June is here and the first day of summer 2022 is right around the corner! Why not spend some time on your porch or patio, sitting outside, or poolside, enjoying a book or magazine selected from our very own Lions Head South free lending library? Our large variety of hardcover books, paperbacks, condensed books, large print books and magazines can be borrowed at any time without the need to sign anything out.

Our Lions Head South Library Committee would also like to suggest setting up a jigsaw puzzle from the library offerings on your porch or dining room table to work on during the extended sunshine of the summer season. Relaxing with a borrowed movie DVD or audio book is also an option open to our residents. Please feel free to utilize these many free items to make your summer more enjoyable.

The Lions Head South Library is very willing and grateful to accept donations when left in the library area on the "returned book" shelves. For book donations, due to our limited space, we can only accept books whose copyright dates fall within the current 10-year period. So please check the first few pages of your donations prior to drop off and only give us those books whose copyright date falls between 2012 through 2022. (Large print books, biographies and non-fiction books of all copyright dates are accepted since they are in great demand.) All audio book donations are accepted, but only CD's. (No cassette donations please.) Any jigsaw puzzle donations must be in good condition with all pieces included. Current magazines are gratefully accepted as well.

Thanks to all who use and donate to our wonderful Lions Head South Library and to those residents who help to maintain its offerings. Here's wishing all our Lions Head South friends and neighbors a wonderful and safe summer season!

COUNTRY CLUB

Jim Mort

For the first time in over a decade we have over 120 members. The goal for this year is 130 and the long-term goal is 150 members. As always, if anyone knows any local golfers that are friends, family and/or neighbors that are interested in a local, well-maintained golf course that is a joy to play on and **DOES NOT HAVE TEE TIMES**, recommend they try the LHCC. We need members as well as just everyday guest players. Non-residents 55 years old or older can become LHCC members and non-resident golfers 12 years old and older can play on our golf course for \$15.00 for the day. Younger golfers do require an adult to accompany them. Also, non-resident golfers can be eligible to purchase a 10 play card for \$120.00. Support your golf course, and get the word out to anyone, anywhere.

The third Hole-In-One of the year was made on April 11th by Brian Halm on Hole 2. Congratulations Brian, if you waited a little longer it would have been worth some money. This makes three months in a row with a hole-in-one. The Hole-In-One Program officially started on May 1st. All members are eligible to join and it is not too late to join for the 2022 season. Any questions contact me at 732-779-9657 or see me at the LHCC clubhouse.

The May 10th Scramble results have been posted to the LHS Website and the LHCC BB. The next Scramble is scheduled for Tuesday, June 14th and sign-up sheets are posted to the LHCC BB as well as the Starter area. The entire \$10.00 participation fee goes directly to prize money. The more players, the higher the prize money payout.

Also scheduled, June 16th, is our Memorial Golf Outing Fundraiser. This golf outing replaces the Annual Men's Club Golf Outing. The LHCC and the WGA have joined with the Men's Club to present this Memorial Golf Fundraiser in memory of Patrick Romano, grandson of Joe Bill. We will have sales for the event at the Monday ticket sales from 9:30-11:00am every Monday through the date of the event. Also, we will take sign-ups at the Men's Club monthly meeting as well as the WGA monthly meeting.

* Golf Outing: Cost \$30.00 for continental breakfast, Golf, Cook-out and Shirt

* Cook-out Only: Cost \$20.00

* Shirt Only: Cost \$15.00

* Donations of any amount will be gratefully accepted.

The first drawing for the 20/20 Raffle is scheduled for Thursday, June 2nd and the drawings will continue each Thursday for 19 weeks. The last drawing will be for a total of \$1,050.00. It is not too late to participate and sales will continue at the Monday ticket sales from 9:30-11:00am, through the end of June.

The first General Membership meeting was scheduled for April 18th but was canceled due to the weather. The agenda was posted to the LHS Website and much of the agenda will be covered in the next General Membership meeting scheduled for Monday, June 20th in the Lions Den. The next Directors meeting is scheduled for after the Scramble on June 14th.

The garage doors in the RV area have been repaired and the main lock has successfully been changed.

The Turf Masters Lawn Maintenance Schedule can be found in the April edition of the Lions Pride. As a reminder, if you have any concerns or issues, please call TurfMasters directly at 732-349-0444.

To keep residents safe, Buildings & Grounds would like to remind residents to utilize sidewalks to keep our community members and guests safe. Walking in the roadway is prohibited and potentially dangerous.

Warmer weather can also bring stormy weather. Below are some guidelines to follow to keep our residents safe during a storm:

1. Stay indoors
2. Listen and watch for weather alerts and warnings in your area
3. Make sure all electronics are fully charged

Due to the extreme high risk of fire hazard in this area currently, now more than ever, we are asking all residents to be mindful of properly discarding cigarette butts. As we all know, this has become an extreme nuisance and violation in the Lions Head South Community. We continue to ask residents to keep an eye out to keep our community litter free.

TRAVEL COMMITTEE

Dee Kropiewnicki

Our committee has been growing and ideas flowing. The Travel Committee gathered for our May meeting and several interesting trips were considered. This includes a River Lady cruise, a Casino trip and a Christmas Show at the SurfFlight Theatre.

Our first adventure is set for June 21, 2022 on the River Lady, located in Toms River. A historic tour and lunch are part of the trip. The cutoff date for ticket sales was May 21st, when we had to provide a final number to the vendor. I would like to thank everyone who signed up for the trip. It should be a fun day for all.

Interest sheets for trips will be posted on the bulletin board in the clubhouse. In early May, an interest sheet was posted for an Atlantic City casino trip which will include a \$25 slot play and an opportunity to see The Drifters.

Please check the bulletin board frequently and sign up if you are interested. It is a great way to travel and see new and different places but most of all, meet and make new friends.

ARCHITECTURAL COMMITTEE

Stephen Scaturro

Now that the weather has changed to a warmer climate, our residents are anxious to get outdoors and do some work on the exterior of their homes and property. Keep in mind that all external improvements or changes to the living unit require an application to the Architectural Committee and must be approved prior to the start of any work, as defined by the Bylaws and Rules and Regulations of Lions Head South. This protects property values in a perpetual state of order and beauty, the reason we all moved here.

Many residents are ignoring the rules and regulations by just doing the work without proper authorization and it is then discovered via township inspections, complaints by other owners or the walk-through inspections by the Architectural Committee Members. Avoid being fined or having to remove any violations at your expense by filing an application.

SECURITY COMMITTEE

Tia Katakozinos

Welcome Summer!

The Security Committee drove around each street in the Lions Head South community to document and report any dim and/or street light outages. These outages were immediately reported to our Administrative Office liaison, who in turn reported them to JCP&L.

As the weather warms, many residents will have guests throughout the summer. Please be reminded to keep our community safe and adhere to the following rules/ordinances:

*Pool Rules and Regulations - Please refer to the 2022 Pool Rules and Regulations as stated in the Lions Pride May edition. These rules will be enforced throughout the summer season.

*Visitors/guests are NOT allowed to use the Fitness Room. It is for RESIDENTS ONLY (Community Rules/Regulations)

*Vehicles need to be parked faced in the direction of traffic (Town ordinance)

*Vehicles CANNOT block sidewalks, fire hydrants or driveways (Town ordinance)

*No parking of vehicles on lawns (Community Rules/Regulations)

*Dog waste MUST be picked up and disposed of properly (Town ordinance)

*Cigarette butts are considered litter and need to be disposed of properly (Town ordinance). In addition, many of these cigarette butts are left to burn, which is a huge fire hazard due to the high risk of fire in our area at this time. Residents, as always, are urged to be mindful and keep a watchful eye.

*If you SEE Something - SAY Something. The Brick PD non-emergency # is 732-262-1100.

Let's all take part in keeping Lions Head South a friendly, safe and beautiful community.

LIONS HEAD SOUTH CHORUS ... THEN AND NOW

Linda LaFerrera

The Lions Head South Chorus has been around for many years. The more immediate question is, "Will we continue to have a chorus in the future?"

No one seems to remember the exact date of the first performance but the consensus of opinion has determined that it was in the spring of 2008. Of the three who currently organize and lead the chorus (Bonnie Luton, Linda LaFerrera and Lynn Harko), only Lynn has the distinction of having accompanied the singers at their first concert. From that time and through the spring of 2012, the biannual concerts were conducted by Mike Nagle and Norma Linzalone, with the one exception of Bonnie accompanying the singers for a patriotic concert in the spring of 2010.

Mike and Norma worked tirelessly with the 40+ members of the chorus, which had a very busy schedule of performances. They sang for the Men's Club and the Lionettes, for Shorrock Gardens Nursing Home, and even did special concerts outside of the clubhouse for Veteran's Day. So popular was the chorus that after their very first performance, residents flocked to join the group. After an illustrious span of devotion to the chorus, both Mike and Norma made a decision to move on. Mike and his wife, Mary, continue to live here in Lions Head South. Norma resides in Seabrook in Tinton Falls and, at the age of 93, remains active within her community.

In the fall of 2012, both Bonnie and Linda were "gently encouraged" by members of the Board of

Trustees into leading the chorus for "just the holiday open house". We agreed to join Lynn for the one holiday performance, and we had no idea how much we were going to enjoy it. For the last 10 years we have continued to laugh and sing together in a joyous celebration of life here in Lions Head South. Time, however, has taken its toll.

As some members began to move away or sadly, pass away, our numbers began to dwindle. Newer residents were often still working and could not attend our rehearsals. Then the nightmare of the COVID pandemic hit, and with it came an end to our ability to rehearse at all. For two years the chorus went silent and, when we returned, there were far fewer members than ever in our wonderful "family". At this writing, we are down from a high of 51 singers to our current 23. Often, with doctor appointments or illness or some other restriction, there are only 12 or 14 who attend rehearsals.

So, the handwriting is on the wall. We will do our best to sing for the 40th anniversary celebration but after that, the future will remain precarious. The future of the Lions Head Chorus is up to us. To be blunt, we need more singers in order to continue performing. We've had a good run, but without you the chorus will be forced to bid everyone adieu. That would be sad but, whatever the future holds, know that we have truly had the time of our lives.

LHS MEN'S CLUB

Don Antonelli

The Men's Club ran a very successful Bingo and Bagels event on April 21st, so much so that we are planning on two (2) of these next year, 2023. Two (2) Night at the Races events are also being planned for 2023.

We continue to sell Mega 50/50 Raffle tickets every Monday morning in the clubhouse from 9:30 am to 11:00 am. Tickets are \$5.00, with a potential first prize of \$2,000.

We will also provide and disperse beer from a beer truck at the 40th Anniversary celebration on June 11th.

Looking forward to a great summer and more events to come. As always, everyone stay safe and God bless.

RECREATION

Marie Thomas

Flowers are blooming, and once again we are out and about in our beautiful community!

The pool opened on Saturday, May 28th and we held our first of five Sunday Fundays at the pool. DJ Louie provided music and Mr. Softee ice cream visited.

Pickleball started after Memorial Day, at an earlier time, 9:30 am. It will be on Tuesday, Thursday and Saturday. Come join us or watch, play or learn. This is non-league play. We are hoping to start Game Night at the pool. Stay tuned for more information and details.

We have two new aqua classes at the pool, Aqua Zumba in the evening, starting in July at 6:30 pm on Mondays, and Aquacise, starting in June, on Tuesday and Thursday at 9:00 am. Both require advance registration. Guests will be accommodated if residents do not fill classes. There is a minimum needed so be sure to register.

Please check the Website for up to date information.

Sorry, somehow I missed getting my article in the Pride for May. The due date is a month early and time just seems to fly by. Here is a synopsis of March and April, and an insight to our May meeting, but you will get it in June...

FINALLY! We had a great meeting on February 16th in the Lions Den. Everyone brought their own lunch and finished it off with nice, yummy desserts provided by the hospitality committee. Linda Parlock and her crew make sure that everything is there and makes it seem so easy. They come early and stay late to clean up, and they deserve a big THANK YOU from me personally and from all the members as well.

Speaking of thank you, Marie Castellano, Linda Parlock and their crews did a great job with our HOLIDAY - NOW SPRING LUNCHEON (the date was April 20th) at Manera's Restaurant in Brick. More than 60 beautiful ladies showed up and had a fantastic meal and, of course, wonderful company. Marie donated the toast beverage (lol) for which we are also grateful. Sorry if you missed it and thank you if you were there to add to the festivities.

The May meeting is on the 18th of the month and I am looking forward to seeing you all. (I know you will read this in June but I am writing at the beginning of May.) We now have seventy-eight (78) paid members. A question was asked about prorating dues for ladies who join after June. We will consider that at our Board meeting, but a non-member can come the first time as a guest of mine, then two more times for \$5.00 per meeting during this year.

We have the collection bins in the closet in the library for donations of food or pet food for times other than meetings at the Clubhouse, where they will be out in the room. Please call and let me know if you have dropped anything off there so we can make sure it is handled properly. And... just a reminder... whenever you are in the Clubhouse, be sure to check our board in the hallway. If you have any suggestions or can help in any way, just call me at [732-948-4051](tel:732-948-4051).

All the ladies of Lions Head South are welcome to join the Lions Head South Women's Club. The annual dues is only \$30. However, you are welcome to come and see if you are interested by coming to an in-house meeting as my guest. You can meet and make new friends and just get a 'time out' from routine, which we all need. Just give me a call and I will take care of it for you.

Looking forward to sunny days and sunny smiles when we meet again!

THROUGH THE YEARS

Maryellen Klotz

Norma and Fred Innacone, of 13 Yorkwood Drive, lived in Brooklyn and decided to visit their friends, Stephanie and Richie Perez, who had recently moved from Staten Island to Lions Head South. As soon as they drove into the complex, Norma and Fred fell in love with the development. They selected their lot and decided on the Austin model. Norma showed her mother the real estate brochure and her mom expressed an interest in moving from Brooklyn, too. Norma brought her parents to Brick and they decided they wanted to move. They chose the Austin model as well. Using a lottery system, her parents were able to choose the lot next door to Norma and Fred! Norma worked in the library, was in a Rummikub group and bowled with Fred and her dad. Fred was a starter at the Golf Club and a member of the Men's Club. Norma has been here 35 years and even though her family is in Long Island and North Carolina, Brick is where she wants to stay. She said, "I love Lions Head South now as much as I loved it when I moved in 1987!"

THE RECIPE BOX

Sue Auer

These are some (of many) outstanding foodie events & recipes that came to LHS through the 40 years!

An Evening at the Races was created by the Men's Club board, featuring the extra SPECIAL FILET MIGNON STEAK dinner by Nightingale's catering, and was introduced by Janet & George Bazaz (from an earlier experience with Nightingale's). "Just Waiting for the NEXT RACE!"

The Fish Fry was organized by Bill Wright and the kitchen staff serving unforgettable and enjoyable fish & sides. "Loved it!"

And in more recent times, the VERY popular dessert table which was presented by Debbie Holzherr and the Social Committee, featuring Debbie's homemade GELATO. "As only have I experienced in Capri!"

Lions Head South has been (and continues to be) built by volunteers offering their hard work, dedication and creativity! As I spoke with Ruth Strauss, an original long time resident, I learned so much about the 40 yrs. At one time Lions Head South had a nursing staff that held meetings and educated the residents on good health.

Through the journey of social opportunities at Lions Head South, we gathered to enjoy many great dinners OR the sharing of the best recipes. Here are two of the most memorable!

Remembering: Ida Caputo... Besides being in the kitchen while cooking up a storm for her Saturday night dinner parties, she offered many hours to the Social Committee and the Women's Club. Below is a special recipe from Ida.

Stuffed Artichokes - "to perfection"

Ingredients:

4 medium artichokes

1. 1 cup plain or seasoned bread crumbs
2. 1 cup grated LOCATELLI romano cheese
3. 1/2 cup fresh chopped parsley
4. 2 cloves of finely chopped garlic
5. 1/4 tsp. salt & 1/2 tsp black pepper (course grind)
6. 2 tbsp olive oil

(You will need a sauce pan with a cover to fit 4 stuffed artichokes. The sauce pan handle must be able to be placed in oven.)

2 cloves of garlic smashed with skin on
3 lemon slices
2 tbsp olive oil

* * *

Directions:

1. In a bowl combine ingredients 1 - 6 and blend.
- 22 LIONS PRIDE JUNE 2022

2. Prepare each artichoke by slicing tips off the top & trim top of each leaf. Slice the stem off bottom. Open up choke to scoop out center. Rinse each artichoke with water & flip over to drain.

3. Stuff each artichoke leaf, starting at the bottom, with a small amount of breadcrumb mixture, working the stuffing process to the top of choke. Place each choke in sauce pan. Repeat for each choke. The 4 chokes should fit tightly in the sauce pan.

4. Add 1/3 level of water to pan, add lemon slices, smashed garlic & olive oil to water. Simmer on low for 2 1/2 hours.

Be sure the water level maintains, you may have to add a little at each check point.

5. Remove from range top & place sauce pan in preheated oven at 300 degrees with cover on for 1 hr. CHECK leaves so they pull away from artichoke easily.

IDA's secret....A double slow steamed cooking!

Remembering: Salvatore (Sal) Severini... While in the kitchen making meatballs and gravy (sauce), Sal will always be remembered for his warm personality and true friendship. In addition, he found the time to participate in bocce, bowling, golf, horseshoes and shuffleboard.

Below is Sal's awesome meatball recipe!

Meatballs - "At their BEST"

Ingredients:

- 1 1/2 lbs ground meat mixture of 75% beef & 25% pork (100% beef is an option)
- 1/2 cup bread crumbs
- 1 cup grated Pecorino cheese
- 1/2 cup fresh chopped parsley
- 2 cloves of finely chopped garlic
- 1/4 cup milk
- 1/4 cup water
- 1 egg
- 1/2 tsp salt
- 1 tsp black pepper

Directions:

1. In a bowl combine all ingredients and mix until blended.

2. Divide the mixture in equal sizes and roll into balls (using an ice cream scoop makes it easy for equal size). Pat & roll each with warm water coating.

3. In a fry pan, heat to medium temperature 1/2" oil (corn or vegetable). Place the meatballs & fry until browned on all sides. Remove and place into gravy (sauce).

Sal's secret....Made with LOVE!

LOOKING forward to the next 40 + years!

Wishing everyone a beautiful and safe summer.
